N. G. KRISHNAIENGAR,
Executive Engineer.

MEDICAL DEPARTMENT

PRINCESS KRISHNAJAMMANNI TUBERCULOSIS SANATORIUM, MYSORE.

ABSTRACT OF THE TENDER NOTIFICATION OF DIETING ARTICLES OF P. K. T. SANATORIUM, MYSORE, FOR THE YEAR 1936.

Tender Notice, dated 24th October 1936.

Notice is hereby given that sealed tenders, in triplicate, on half-sheet foolscap-sized paper will be received at the Office of the Medical Officer, Princess Krishnajammanni Tuberculosis Sanatorium, Mysore, at 4 P.M., on the 9th December 1936, for the supply of articles of diet, etc., (as per list annexed), required for the use of the Princess Krishnajammanni Tuberculosis Sanatorium, Mysore, from 1st January to 31st December 1937 (both days inclusive).

2. No tender will be received after the date and hour abovementioned.

3. Tenders should be superscribed " Tender for the supply of provisions to the Princess Krishnajammanni Tuberculosis Sanatorium, Mysore, for the year 1937."

4. No tender will be received unless accompanied by a receipt for Rs. 200 deposited in any of the Government Treasuries in the State as earnest money for tender to the credit of the Medical Officer, Princess Krishnajammanni Tuberculosis Sanatorium, Mysore. No cash payment will be accepted.

5. Tenders will be opened by the Medical Officer in charge at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rates for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended thereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any other tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 400), within three days from the date of his receiving the intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made, as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles of which not less than one month's supply must always be in stock. Perishable articles, such as vegetables, meat, etc., must be at the hospital at 7-30 A.M. daily. All articles, except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or the same will be purchased by the hospital authorities elsewhere and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound, on occasions of emergency, to supply any other articles that are not mentioned in the list appended to the notice at prevailing market rates and at short notice.

16. The contractor or his agent must be present at the hospital every day both morning and evening to receive the indents and supply the articles required.

17. The contractor will not be asked to supply the vegetables daily, unless the Sanatorium garden fails, in which case he has to supply them at the rates quoted in the tender. English and country vegetables have to be supplied in variation every alternative day and two kinds of vegetables should be supplied daily for use during the noon and evening.
